

N2 Gateway Project

The N2 Gateway Project started in 2005 and phase one is nearing completion. It is a project of the National Department of Human Settlements. Phase one will deliver about 15 000 houses. The project provides houses for residents of the informal settlements and backyarders along the N2. **Current projects include the following:** Joe Slovo • Delft Symphony • Delft 7-9 • Bostown • Temporary Relocation Areas (TRAs)

JOE SLOVO PROJECT UPDATE

AUGUST 2011

KEY FACTS JOE SLOVO

- Western Cape Department of Human Settlements is the developer
- Sobambisana is the turnkey contractor
- The Housing Development Agency (HDA) is the project manager
- The Joe Slovo project is divided into 3 phases and will deliver 2 639 houses

PROGRESS TO DATE JOE SLOVO

- **Installation of Services/Infrastructure**
The first phase, the installation of services and infrastructure, is complete.
- **House Construction**
Once the infrastructure is complete, the next phase will be the construction of houses. These houses will not be free-standing units and instead there will be a number of units within a block. This was necessary to avoid relocations.
- **Outcome of housing subsidy applications**
A Project Steering Committee (PSC) meeting was held on 21 July to share the

results of the housing subsidy applications. The community had opportunity to comment on the results, as well as to provide outstanding information on applications until 28 July.

FORTHCOMING IMPORTANT EVENTS JOE SLOVO

The next PSC meeting will review the comments received from the community regarding the outcome of the subsidy applications and there will be discussion around how the allocations will take place.
