

# N2 Gateway Project

The N2 Gateway Project started in 2005 and phase one is nearing completion. It is a project of the National Department of Human Settlements. Phase one will deliver about 15 000 houses. The project provides houses for residents of the informal settlements and backyarders along the N2. **Current projects include the following:** Joe Slovo • Delft Symphony • Delft 7-9 • Boystown • Temporary Relocation Areas (TRAs)

## JOE SLOVO PROJECT UPDATE

OCTOBER 2011

### KEY FACTS

- Western Cape Department of Human Settlements is the developer
- Sobambisana is the turnkey contractor
- The Housing Development Agency (HDA) is the project manager
- The project will deliver 2615 houses

### PROGRESS TO DATE

- **House construction**  
159 housing units are under construction and 62 foundations are complete.
- **Beneficiaries**  
Approved beneficiary endorsements in the three Joe Slovo areas have been concluded with the assistance and cooperation of the Joe Slovo Project Steering Committee. A general meeting will be held in each area to finalise the endorsed lists.

- **Winnie Mandela Drive and Blue Gum Extension**

435 shacks are currently occupying the area for the construction of the Blue Gum Extension and Winnie Mandela Drive. These have to be relocated to clear the way for construction. Construction is expected to commence mid October 2011.

### FORTHCOMING IMPORTANT EVENTS

A general meeting of the Joe Slovo community is planned for late October 2011 to advise and or update the community about the development.

### WHO TO CONTACT FOR FURTHER INFORMATION:
